### **REGENCY AFFILIATES ANNOUNCES QUARTERLY DIVIDEND**

#### ***First Quarter Dividend Reflects Continued Strong Performance***

New York, NY – March 13, 2017 ---- Regency Affiliates, Inc. (OTC Pink: RAFI) (“Regency”) today announced that it will issue a quarterly dividend of 6.10 cents per common share on April 7, 2017 to shareholders of record at the close of trading on March 31, 2017.

#### **Management Comments**

“We are pleased to declare a quarterly dividend of 6.10 cents per common share reflecting the 3.8% increase which commenced with the third quarter 2016 dividend payment,” commented Laurence Levy, Chairman and Chief Executive of Regency. “We continue to be comfortable with this dividend level particularly as we benefit from the cash flows generated by the recently acquired portfolio of self-storage assets in and around Harrisburg, Pennsylvania.”

“Our Security West investment represents a 50% limited partnership interest in real estate occupied by the United States Social Security Administration under a lease expiring in October 2018. The mortgage balance will be amortized to approximately \$22.8 million on March 31, 2017, down from \$98.5 million at the lease commencement on June 24, 2003. We anticipate that the mortgage will be amortized by more than \$7.5 million in 2017.”

“Regency also owns an indirect 50% interest in Mobile Energy which owns and operates an energy facility located in Mobile, Alabama. The facility supplies co-generated steam and electricity for use in Kimberly-Clark's mill operations under a 15 year agreement signed in 2004. This investment currently generates approximately \$2.8 million of cash distributions per annum for Regency after debt amortization at the project level. Since Regency's investment in Mobile Energy, the debt on that entity has been amortized from \$28.5 million on the date of our investment on April 30, 2004 to the current balance of approximately \$7.6 million.”

“On April 18, 2016, Regency completed the acquisition of a portfolio of five stand-alone self-storage facilities in the Harrisburg, Pennsylvania vicinity for a total purchase price of \$35.0 million of which \$25.3 million was financed via a non-recourse ten year debt financing. The facilities were purchased via a joint venture with SSCP Management LLC (“SSCP”). Pursuant to the terms of the joint venture, Regency will earn a 7.5% per annum preferred distribution on its \$11.2 million capital contribution. Surplus cash flow after the preferred distribution is allocated 80% to Regency and 20% to SSCP. Regency received its third distribution of 7.5% annualized from SSCP in January in the amount of \$210,576 reflecting performance of the investment for the quarter ended December 31, 2016.”

“We are continuing to review and evaluate further investment opportunities for Regency and intend to grow the company by investing in other attractive long term assets that meet our business characteristics and valuation criteria. Our net asset value per share continues to grow based on our existing investments.”
